

Town Green Community Garden Educational Support Grant

In keeping with the Windsor Garden Club's mission as a community betterment 501(c)3 organization, the Windsor Garden Club Officers Group, in July of 2016, establishes a twice-yearly grant of \$250 for use at Santa Rosa Junior College, or Sonoma State University, for the benefit of outstanding volunteers in the Town Green Community Garden.

This new grant recognizes that by assisting hard working volunteers in our garden community, we are investing in individuals who will also enrich and strengthen the community of Windsor as a whole.
